Post Operative Instructions

CORRECTION OF GYNAECOMASTIA

1. Please take all medications as directed
2. **DO NOT TAKE ASPIRIN**
3. The day following the surgery remove the binder and you can shower lightly over the dressings (do not remove the dressings). Replace binder after patting area dry
4. Please sleep on your back rather than on your side as this will be more comfortable
5. Please restrict your arm movements, and for the first few days try to keep your elbows down at your sides
6. Please rest for the first few days after your operation
7. Notify us if there is excessive pain, swelling, or bleeding from the chest
