Post Operative Instructions

ABDOMINAL LIPECTOMY

1. Please take all medications as directed
2. Always clean your hands before touching or caring for your wounds
3. The abdominal binder dressing may be adjusted for comfort. It is often necessary to undo it and put it on lower down as it tends to ride up
4. You may temporarily remove the binder to shower from the day after your surgery, but leave the plastic Comfeel dressing in place
5. You might find it more comfortable to lie with a pillow under your knees
6. Please rest for the first 5 – 6 days after your operation. You may walk around, but do not engage in any strenuous exercise
7. If there is excessive redness or irritation with your wound/s, or signs of infection, or if you develop a fever above 37.5°, please telephone our rooms on the numbers above. If you are unable to contact us at the rooms, please telephone the after hours number instead

Follow up appointment:
